#### HIPAA INFORMATION AND CONSENT FORM

The Health Insurance Portability and Accountability Act (HIPPA) provides safeguards to protect your privacy. Implementation of HIPAA requirements officially began on April 14, 2003. Many of the policies have been our practice for years. This form is a "friendly" version. A more complete text is posted in the office. What this is all about, specifically there are rules and restrictions on who may or be notified of our Protected Health Information (PHI). These restrictions do not include the normal interchange of information necessary to provide you with office services. HIPAA provides certain rights and protections to you as the patient. We balance the needs with our goal of providing you with quality professional service and care. Additional information is available from the U.S. Department of Health and Human Services. <u>www.hhs.gov</u> We have adopted the following policies:

1. Patient information will be kept confidential except as is necessary to provide services or to ensure that all administrative matters related to your care are handled appropriately. This specifically includes the sharing of information with other healthcare providers, laboratories, health insurance payers as is necessary and appropriate for your care. Patient files may be stored in open file racks and will not contain any coding which identifies a patient's condition or information which is not already a matter of public record. The normal course of providing care means that such records may be left, at least temporarily, in administrative areas such as the front office, examination room, etc. Those records will not be available to persons other than the office staff. You agree to the normal procedures utilized within the office for the handling of charts, patient records, PHI, and other documents or information.

2. It is the policy of this office to remind patients of their appointments. We may do this by telephone, e-mail, U.S. mail, or by any means convenient to the practice and/or as requested by you. We may send you other communications informing you of changes to office policy and new technology they might find valuable or informative.

3. The practice utilizes a number of vendors in the conduct of business. These vendors may have access to PHI but must agree to abide by the confidentiality rules HIPAA.

4. You may understand and agree to inspections of the office and review of documents which may include PHI by government agencies or insurance payers in the normal performance of their duties.

5. You agree to bring any concerns or complaints regarding privacy to the attention of the office manager or the doctor.

6. Your confidential information will not be used for the purposes of marketing or advertising of products, goods, or services.

7. We agree to provide patients with access to their records in accordance with the state and federal laws.

8. We may change, add, delete or modify any of these provisions to better serve the needs of both the practice and the patient.

9. You have the right to request restrictions in the use of your protected health information and to request change in certain policies used within the office concerning your PHI. However, we are not obligated to alter internal policies to conform to your request.

I, \_\_\_\_\_\_do hereby consent and acknowledge my agreement to the terms set forth in the HIPAA INFORMATION FORM and any subsequent changes in office policy. I understand that this consent shall remain in force from this time forward.

#### **ARBITRATION AGREEMENT**

ARTICLE I — Agreement to Arbitrate: It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improper, negligently or incompetently rendered, will be determined by submission to arbitration as provided by law, and not by a lawsuit or resort to court process except as law provides for judicial review of arbitration proceedings. Both parties to this Contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead, are accepting the use of arbitration.

ARTICLE II — All Claims Must be Arbitrated: It is the intention and agreement of the parties that this arbitration agreement shall cover all claims or controversies relating to the matters described in Article I above, except claims within the jurisdiction of the Small Claims Court, whether in tort (intentional or negligent), contract, or otherwise, including but not limited to suits relating to the matters described in Article 1 and also involving claims for loss of consortium, wrongful death, discrimination, emotional distress or punitive damages. Arbitration pursuant to the terms of this Contract shall bind all parties whose claims as described in Article I may arise out of or in any way relate to treatment or services provided or not provided by Livermore Dental Spa or any employee or agent or providers of Livermore Dental Spa, including any spouse or heirs of Patient and any children, whether born or unborn, at the time of the occurrence giving rise to any claim. The undersigned understands and agrees that if the undersigned signs this Contract on behalf of some other person for whom the undersigned has responsibility, then, in addition to the undersigned, such person(s) will also be bound, along with anyone else who may have a claim arising out of the treatment or services rendered to that person. The reference to Livermore Dental Spa includes the corporation, and its employees, agents, and providers. Filing any action in any court by Livermore Dental Spa to collect any fee from Patient shall not waive the right to compel arbitration of any claim described in Article I. However, following the assertion of any claim against Livermore Dental Spa, any fee dispute, whether or not the subject of any existing court action, shall also be resolved by the same arbitration.

ARTICLE III — Procedures and Applicable Law: Patient shall initiate arbitration by serving a Demand for Arbitration on Livermore Dental Spa and each defendant. The claim shall be mailed by U.S. mail. A Demand for Arbitration must be communicated in writing to all parties, identify each defendant, describe the claim against each party, and the number of damages sought, and the names, addresses and telephone numbers of the Patient and his/her attorney. Patient and Livermore Dental Spa. I agree that any arbitration shall be conducted by a single, neutral arbitrator selected by both the parties.

ARTICLE IV — Retroactive Effect: Patient intends this Contract to cover services rendered by Livermore Dental Spa not only after the date it is signed.

ARTICLE IV — Severability: If any provision of this Arbitration Agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision. I understand that I have the right to receive a copy of this Contract. By my signature below, I acknowledge that I have received a copy.

NOTICE: BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE AN ISSUE OF DENTAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL.
